## BIBLIOGRAPHY

**Potential users of books and articles cited in this bibliography should read this introduction carefully.**

This bibliography provides information on readily available literature about child abuse. Books are listed by title; articles by author.

It is designed primarily for secondary school, community college and university students, and may be helpful to librarians and educators.

The list of books and articles is not exhaustive but includes items available through or which can be obtained readily by public or school libraries. Sources are listed.

Printed materials that are available without charge from the Child Abuse Program, Ministry of Community and Social Services are listed separately as an appendix, together with an order form.

The bibliography was not designed as a resource for researchers and academics. An exhaustive bibliography by Beatrice J. Kalish "Child abuse and neglect: an annotated bibliography" (Westport, Conn.; Greenwood Press, 1978) is available from academic institutions.

The Ministry of Community and Social Services welcomes suggestions for additions to be included in subsequent revisions. Questions and suggestions can be directed to Mrs. Irene Shlapak, Manager, Library Services, Ministry of Community and Social Services, 6th Floor, 880 Bay Street, Toronto, or to Dr. Herbert A. Sohn, Co-ordinator, Child Abuse Program, 700 Bay Street, 9th Floor, Toronto, Ontario.

This bibliography has been prepared as a joint project of the Library Services and the Child Abuse Program, Ministry of Community and Social Services.
